

®

Standart anahtarlardan özel kumandalı ürünlere , ENG emniyetli , güvenilir ve uygun maliyetli çözümler için doğru adres.

Bahçe makinalarından yapı makinalarına, kamyonlara, otobüslere ve gemilere kadar hareketli tüm araçlarda ENG kumanda ürünlerini tüketicilere sunuyor. Özel tasarım çok fonksiyonlu kontrol panellerinden, özel tasarım anahtarlara ve kumanda kollarına kadar uzanan bir ürün serisi hizmetinizde. İlk tasarımdan tam ölçekli üretime kadar, ENG otomotiv endüstrisinin ihtiyacı olan ürünleri tam anlamıyla üretmek ve optimum tasarımla kaliteye ulaşmak için sürekli çalışıyor.

Tasarımla gelen kalite.

ENG' nin otomotiv endüstrisine sunduğu asıl avantajlardan birisi de mühendislik, anahtar yapımı ve üretimi konusundaki uzmanlığıdır. ENG, sektörünün lider elektrik anahtarı ve kalıp üreticisi olma hedefinden sapmamıştır.

Sektörün lideri olan CAD/CAM yazılımını ve en ileri 3-D teknolojisini kullanarak, üst düzey bilgiye sahip mühendis ve operatörlerden oluşan çalışanlarımız en uygun maliyetle mükemmel işlevsellikteki ürünleri tasarlayabilmekte ve kalıplamaktadır.

Müşterilerimize mümkün olan en yüksek kalitede ürünleri sunuyoruz.

Plastik, bakalit, metal şekillendirme ve talaşlı üretim işlerinin tamamı tesisimizde yapılmakta ve müşterilerimizin ihtiyaçlarına en kısa sürede cevap verebilmemizi sağlamaktadır.

Otomotiv endüstrisinin yükselen teknolojisi günümüz uygulamalarının üst düzey gereksinimlerini fazlasıyla gerçekleştiren güvenilir kumanda ürünlerini gerektirmektedir. Emniyeti, dayanıklılığı, güvenilirliği ve performansı ENG tüm anahtarlarında, aksesuarlarında ve ilgili kumanda ürünlerinde sunmaktadır.

Uygulama yardımı, numune çalışması, kapsamlı test, araştırma ve geliştirme imkanları için müşteri temsilcilerimizle irtibata geçmenizi tavsiye ederiz. ENG' yi, ürün tasarımında bir ortağınız olarak görmekten çekinmeyin.

The correct address for safe , reliable and cost-efficient solutions.

ENG offers consumers its control products varying from garden machines to construction machines , trucks, buses , tractors , shortly on all moving vehicles. Product series from specially designed multifunctional control panels , specially designed switches and signal arms is at your service. ENG works continuously to flawlessly produce the products at optimum design and high quality as needed by automotive industry from first design to finished production.

Quality with design.

One of the main advantages offered by ENG to automotive industry is its specialization in design of switches. ENG has never given up its target to become pioneering producer of electrical switches and toolings in its sector.

Using the leading CAD/CAM software and state of the art 3D technology , our employees including top level engineers and operators are able to design and produce switches and toolings at best costs and perfect functionality.

We offer our customers the highest quality products.

The rising technology of automotive industry requires reliable control products fulfilling top level requirements of today's applications.ENG delivers safety,durability,reliability and performance in its all switches , accessories and related control products.

We recommend you to contact one of customer representatives for application aid , sample , detailed test , research and development opportunities.Please do not hesitate to deem ENG as your partner in product design.

Ürün Kodları

Ölçüler mm. (uzunluk x genişlik)

The references indicate 100 pcs. of natural colour cable ties in a plastic bag. If you want to order in black colour, please change the third digit to 3 as in the example. Example: 40 0201 - Natural
40 0203 - Black

▼ Sign indicates the usable length of the cable tie on the ruler.

BIÇAK SİGORTA IŞIK İKAZLI BLADE FUSE WITH LAMP

SAE J1284 standartına uyumlu , sigorta yandıktan sonra ışıklı ikaz verebilen şeffaf ve ısıya dayanıklı gövdeye sahip güvenilir pratik sigorta.

Complies with SAE J1284 standards , the built-in miniature lamp lights-up after the fusing element has interrupted. Transparent and temperature resistive body is safe and reliable.

CERTIFICATE

Management system as per
ISO 9001 : 2015

In accordance with TÜV NORD CERT procedures, it is hereby certified that

ENG Elektrik Nakil Gereçleri ve Otomat San. Ltd. Şti.
Yenidoğan Mah., Uluyol Cad., Caner Sok., No 2A 2C, Bayrampaşa,
TR-34030 İstanbul,
Turkey

applies a management system in line with the above standard for the following scope

Design, production and sales of electrical control and warning equipments for the automotive sector and other various sectors

Certificate Registration No. 44 100 063575
Audit Report No. TR 537

Valid from 2021-01-12
Valid until 2024-01-11
Initial certification 2006

Certification Body
at TÜV NORD CERT GmbH

Istanbul, 2021-01-12

This certification was conducted in accordance with the TÜV NORD CERT auditing and certification procedures and is subject to regular surveillance audits.
